

**FAA FSDO MCI Processing Notes:**  
(Updated 12/14/2018)

We offer our thanks to all the Flight Standards District Offices (FSDOs) for their efforts with respect to certificates issued on the basis of military competency. Here is a list of the FSDOs and Designated Examiners who our subscribers have reported as knowledgeable on the issuance of these certificates. We hope it helps you to submit your application paperwork. If you have any feedback on any FSDO or Examiner you visit, please email it to us at SheppardAir@aol.com and we'll edit the list. Remember, meeting an inspector at a FSDO doesn't cost you any cash, but meeting with an examiner will come with an associated fee.
